SOLAR PRO.

Eritrea Photovoltaic Module Project

The African Development Fund (AfDB) has granted the Government of Eritrea a US\$49.92 million grant for the construction of a 30 MW solar photovoltaic (PV) project located in Dekembare.

The COE for the PV-battery and PV-hydrogen systems was 580 respectively 226 times bigger than Eritrea's existing COE, which is not feasible from an economic standpoint. Additionally, ...
